Many of you may be asking how you can volunteer your time the night of the Big Blue Bash. If you are planning on attending, we need your help working a shift at one of our raffles, checking people in upon arrival, selling our CASH! CASH! CASH! Raffle tickets, closing down our silent auction tables, and much more! You will be given an explanation of what is done at each area. Shifts are no longer than one hour – work with your spouse, significant other, or friend. If you can't attend but still want to volunteer your time, you can help set up on the morning of the event. Contact Marijo Fischer at [fischert@fuse.net](mailto:fischert@fuse.net) to reserve your spot.

*Don't forget that this time will count towards your yearly service hours requirement!*
