

St. Agnes Parish Preschool Religion Program

Wednesday, July 26, 2017

Dear Parishioner,

My name is Stacey Moorhead and I am organizing the Preschool Religion Program at St. Agnes. This is my first year heading this program and excited to be involved in such a wonderful group. Our teachers are eager to get back to the work of sharing the Lord's love and teachings with our small, but spirited faithful!

For those of you unfamiliar with the program, Preschool Religion (PSR) is for children ages three to kindergarten. (*Please note: for the health and safety of all participants, we do ask that the children be potty trained.*) We meet Sundays during the 11:30 Mass throughout the school year in the school cafeteria.

PSR utilizes a wonderful resource known as SEEDS. This is a program created by Pflaum (www.pflaum.com) specifically designed for this age group. The weekly teachings in Seeds coincide with the Gospel message shared during the Mass, but on a level the children can understand. We also incorporate crafts, songs and games to bring the message of Jesus to life for the children.

We will kick off classes on Sunday, September 24th, 2017. We will not be having class on Sunday, October 8th due to the Oktoberfest.

We will continue to meet in the school cafeteria. The children will rotate through stations – craft, snack and Gospel lesson. We will also occasionally go outside when the weather permits.

You are welcome to park and walk your child over to the cafeteria or enter the school grounds on Molloy Drive (where the soccer fields begin) and drop off before parking for Mass. We will have volunteers at the door to assist.

The program will be providing a healthy snack and drink each Sunday. The cost of the program is \$40 per child. If cost is an issue, please contact me and we can work something out.

If you are interested in registering your child(ren), please complete the enclosed form and return it to me **NO LATER THAN SEPTEMBER 8th** via school kidsmail (to Lorelai Moorhead - Kindergartener) or mailing to me.

We are always in need of helping hands for PSR. If you would like to offer some time to enrich the program, we would love to have you! All adult volunteers must be VIRTUS-compliant at all times when working with the children. We also welcome older students (Grades 6-12) to join us as aides. This is a wonderful experience for our young people and an excellent way to earn service hours. If you are interested please contact Stacey Moorhead (information below).

I hope that you will join us for this wonderful journey. If you have any questions, please contact me via email: staceyscully4@aol.com or my cell: 859.907.3667

Thank you,

Stacey Moorhead
