

We have had a wonderful year of delicious menu options and I am very excited to see what new menu items we will have next year. As always, we will continue to serve fresh produce until the last day of school.

Noteworthy attention - for every 8 grab&goes purchased, one box top is donated to the school. I believe the students have helped the school with 450 to 500 box tops!!!

I would like to remind parents to keep replenishing lunch accounts. I know we are at the end of the school year, but lunch balances will roll over to the next school year. I have many lunch accounts that are still within and beyond the charge limit of \$15.00. All charges must be paid in full no later than May 25, 2017. Keep in mind, your student may still have a couple days left to purchase lunch and added funds for those purchases will need to be added as well. Reminder: students can purchase extra entrees, snacks, and bottled water only if they have funds in their lunch account to cover the entire purchase. These ala cart item can not be charged.

\*Summer reminder - If you have auto payment sent up with k12paymentcenter, you will need to turn it OFF over the summer. If your student will not be attending a school in the Diocese of Covington school lunch program, please let me know. Those students moving out of district will receive a reimbursement for lunch balances \$5.00 and over.

On behave of myself and my staff, I would like to thank all of the volunteers who came in to help us in the kitchen. And to all of the families for giving us the opportunity to serve lunch to your students here at St Agnes School. I hope everyone has a wonderful summer and I look forward to seeing all the returning and new students in the fall.

Teresa Daugherty

St Agnes Cafeteria Manager
