TO REGISTER

website: 2018pmfcbballcamp.eventzilla.net call: 859-801-5162

This camp is designed to encourage dads and father figures alike to take an active role in their child's life; stressing the importance of spending time with them participating in fun activities like playing basketball. The one day camp will promote the basic fundamentals of basketball (shooting, ball handling, passing, defense, rebounding and offensive moves).
