

# How to get to Report Cards Online

(Student documents)

1. From the school home page, hover your mouse over your child's picture and the menu will populate.
2. Click on Documents

Your child's report card will be stored in their documents for you to open and print at your convenience.

The screenshot displays the St. Agnes School website interface. At the top, there is a blue navigation bar with 'School Home' on the left and 'Information' on the right. Below the navigation bar, there are several sections: 'Headline News' with a table of news items, 'Upcoming Events' with a calendar for October and November, and 'Highlighted Photos'. On the right side, there is a 'My Students' section. A dropdown menu is open over a student's profile picture, with the 'Documents' option highlighted in blue and circled in red. The menu options are: Profile, Documents, Grades, Schedule, Attendance, and HW/Assign. Below the dropdown menu, there is a 'Today' section with tabs for 'Events' and 'Who's On', and a 'Featured' section with tabs for 'Photos', 'Documents', 'Links', and 'Classes'.
