**Saturday, October 21st**

**9 a.m. - 12 Noon**

**St Pius X, Edgewood, KY**

Do you have a heart for other women and a desire to connect them in the parish, to encourage an authentic women's faith sharing community, to meet women where they are and draw them closer to Christ? If so, please attend a Learn About Walking with Purpose event this October at St Pius X in Edgewood.

Walking with Purpose, a women's Catholic Bible study offering a Scripture-based program that is approachable, relevant and focused on conversion of heart, invites women and parish leaders to attend a ***Learn About Walking with Purpose Event*** and find out about this fast-growing program.

Meeting women where they are in a personal and transformational way, Walking with Purpose offers at-home study and weekly small group discussions that link women's everyday challenges with the solutions found in the teachings of Christ and the Catholic Church. Walking with Purpose is currently offered in the Covington diocese at St Pius X and at Blessed Sacrament in Fort Mitchell.

Women ministry leaders and pastoral staff seeking to bring other women closer to Christ through Scripture study and fellowship are invited to learn from local WWP leaders about their experience bringing the program to their parish. WWP national staff will explain the WWP discernment process, leadership training and mentoring support offered.

There is no charge for the event and continental breakfast will be provided. To register or obtain more information about this ***Learn About Walking with Purpose Event***, please contact Ali Reeves via email at [alireeveswwp@gmail.com](mailto:alireeveswwp@gmail.com).
