FROM THE PRINCIPAL

We had a great turnout for our Oktoberfest weekend! This event could not have been possible without our Oktoberfest committee and all the volunteers. We appreciated all those who were able to attend and contribute in any way. Our fourth and fifth grade students will participate in our Youth Evangelization Mass on Sunday, October 6th at 10:30 a.m., and Donut Sunday will be hosted by our sixth, seventh, and eighth grade students.

Mission Statement of Saint Agnes School

Saint Agnes School exists to provide excellence in Catholic education while inspiring and empowering our students to live the Gospel message of Jesus Christ. As compassionate and faithful Christians, we continue to pursue our spiritual journey, achieve our highest academic potential, and be stewards of the Catholic faith to others.

Please donate your old cell phones, mascara tubes, and markers! Did you know that you can recycle all of these items to help protect the planet? Simply send them to school and they will be donated to the PROJECTS FOR THE PLANET program. This program is a combination of three recycling efforts. 1) Project Saving Species recycles old cell phones so that Coltan & other cell phone components do not have to be mined in the Congo. This helps to protect and preserve gorilla habitat . 2) Wands for Wildlife recycles old mascara wands so they can be used to clean small injured or abandoned wildlife. 3) ColorCycle is a marker recycling program. Any brand or type of marker (with or without caps) can be recycled to keep old markers out of landfills. Drop these items in the collection station by the school office or send them via Kid Mail to Tessa Schulte in 8B. For questions or more information please email Jacob Schulte (former St. Agnes student and Covington Catholic Senior) at schulte1650@gmail.com.
