Cell Phone Recycling: 12/20/19 is the last chance for 2019 cell phone recycling. Cell Phones are being recycled by Jacob Schulte (CCH Senior and 2016 St. Agnes grad) to help prevent mining for cell phone components in the Congo, which is causing gorillas to lose their habitat. They will continue to be collected in 2020 so if you get new cell phones for Christmas and can't trade in yours, please be sure to send them to St. Agnes after the new year to Tessa Schulte in 8B. For more information about this recycling project, please email Jacob at schulte1650@gmail.com.
