

## Saint Agnes Newsletter

Family Newsletter

July 22, 2020

### FROM THE PRINCIPAL

If your family is interested in utilizing the aftercare program offered by Children, Inc., please complete the [aftercare survey](#) by tonight, Wednesday, July 22nd.

~ Erin Redleski

### SCHOOL NEWS

**Cafeteria Update:** Students will need to pack a lunch and drink the first week of school (August 11th, 12th, and 13th). Cafeteria service will begin the week of August 17th. Students will have two food options for purchasing: Grab 'n Go or a boxed hot lunch. Milk will be available for purchase, and the touchless water fountains are available to use.

**Spiritwear:** PTO is selling spirit wear prior to school this year. The spiritwear sale will end JULY 26 and orders will be delivered to school around August 17. Click to order <https://stagnesb2s2020.itemorder.com/>. Please include your child's name on orders and items will be sent home with them. Additional gaiters are available for purchase on the site. Questions: contact Stephanie Lonnemann [kenning.stephanie@gmail.com](mailto:kenning.stephanie@gmail.com)

### SCHOOL CALENDAR

#### August

- 3 Used Uniform Sale
- 4 New Family Orientation - Parents Only  
(6 p.m., Gym)
- 11 First Day of School
- 14 No School - Feast of the Assumption
- 15 First Communion (10:30 a.m., Church)
- 27 Spirit Wear Day

---

**Masks & Face Coverings:** Masks will be required daily for students and staff in some capacity. Masks are an addition to the Saint Agnes dress code for 2020-2021. Each student will be provided one Saint Agnes gaiter-style mask from the school, however, if a different type is preferred, any style of cloth mask, that covers the mouth and nose, is acceptable so long as the patterns and symbols are school appropriate. Please support us by working with your child(ren) over the next month to increase their comfort level when practicing [how to properly wear a mask/gaiter](#).

## ATHLETIC BOOSTERS

**Volleyball:** I hope all are well during this time of uncertainty. I have reached out to both the Volleyball Directors and Mrs. Redleski. At this time, the Diocesan directive is that no elementary schools should be using the gym. I would expect this to last until at least the end of July, as the current focus is around safely opening the schools for operation. We are still waiting for updated plans from KHSAA, which sets guidelines for the High School athletics, and in turn will help with the plans for the elementary schools. Although we have no clear future, I still want to be prepared for the volleyball season, should we be given the green light. With that being said, we need a count of who is going to sign up for St. Agnes Volleyball- 2020 season. Please send an email to [stagnesvball@gmail.com](mailto:stagnesvball@gmail.com) with the following information:

- Kids name
- Grade
- As a parent, are you willing to help coach (Head Coach/ Assistant)
- [Please view the additional volleyball information](#)

Hopefully we will be reaching out to you soon, with additional details for the 2020 volleyball season. Go Wildcats!

## COMMUNITY NEWS

**Message from the Council for American Private Education:** Congress is working on another package of COVID-19 relief, which is expected to include aid for K-12 education. Please use [CAPE's Legislative Action Center](#) to let your representative and senators know that this aid package should include support for the students who are educated in America's private schools.

### Mission Statement of Saint Agnes School

Saint Agnes School exists to provide excellence in Catholic education while inspiring and empowering our students to live the Gospel message of Jesus Christ. As compassionate and faithful Christians, we continue to pursue our spiritual journey, achieve our highest academic potential, and be stewards of the Catholic faith to others.
