FROM THE PRINCIPAL

Congratulations to our First Communicants who received the Holy Eucharist this past Sunday. May the Lord continue to bless these students and all Saint Agnes students as they continue on their spiritual journey.

~ Erin Redleski, Principal

SCHOOL NEWS

School Survey: Please take a few moments to complete our [end-of-year school survey](#). Your feedback helps in planning for future events and understanding our areas of strength and opportunities for growth.

May Altar: Keeping with Catholic tradition, the month of May is dedicated to Mary, the mother of Jesus. Students may bring flowers to place at our little shrine in school in addition to offering prayer intentions for Our Lady's intercession. Vases will be available along with our prayer bucket. May the love of our Blessed Mother watch over us.

Bus service for friends/car riders: Because of the assigned bus seating we cannot make accommodations for students who occasionally ride the bus with friends. Only students who are scheduled to ride the bus can ride on their assigned bus route. We are still following our COVID protocols on this. Thank you for your help on this.

NDA Color Guard - Students in upcoming grades 7-12 interested in being a part of Color Guard, which performs with the band, can contact Color Guard Instructor Mrs. Jenifer Ericson, ericsonj@ndapandas.org for more information. Band students can also be part of the NDA Color Guard.

Memorial Day Contest: The City of Park Hills and the Park Hills Civic Association invite students in the 4th and 5th grade of the Ft. Wright Elementary School and the St. Agnes School to participate in the 2021 MEMORIAL DAY ESSAY CONTEST. Entries will be judged and two prizes will be awarded. The First Place Prize is a cash card for \$50.00, and the Runner-up Prize is a cash card for \$25.00. See more details [here](#).

Mind Over Matter Summer Classes: Every summer Mind Over Matter in Ft. Mitchell offers a variety of classes to help keep kids engaged and help enhance their core knowledge base to prepare them for the next school year. This year they will have their typical "Rising" class which is a readiness class that works on both reading and math. There will also be some literacy intensive courses that will help those students in K-3 who really need a strong phonemic awareness focus to help them with their reading skills. Along with these courses, there will be some that focus on multiplication and division, study skills, and more! Click [here](#) for more information.
