Odyssey of the Mind: Congratulations to our Odyssey teams who had a fantastic weekend at the State Competition! The kids performed well and most importantly, I think they all had a great time. The 6th grade team placed 2nd, the 4/5th grade team placed 1st, and the 3rd grade team placed 5th (in a problem with the most teams competing!). They represented Saint Agnes well! Teams placing 1st, 2nd, or 3rd are also awarded the opportunity to compete at Iowa State University at the Odyssey Worlds Competition from May 25-28th. Great job!

Education Opportunity Accounts: As this year's session of the General Assembly nears the end, your vocal support for growing Kentucky's school choice program is more important than ever! I'm asking you to send a special message to House and Senate leaders telling them you support including school choice expansion in any final bill negotiations. [Contact Legislative Leaders Today!](#) It's time to make Kentucky's entire school choice program available statewide, to increase the funding cap, to boost parent income eligibility, and to make the law permanent so it can help students for years to come. Please take a couple of minutes to help support Kentucky's students!
