

Hi Parents,

We can't believe that summer is almost here! Because reading everyday is extremely important for the growth and development of children, students will be required to complete a reading assignment over summer break. On the last day of 3rd grade, the 4th grade teachers provided your child with a book, ***The Lemonade War***, and a **packet** to be completed over the summer. The book may be read independently or with a family member. After your child completes reading each chapter, make sure he/she completes the activity for that chapter. The book and packet will need to be returned to school on the first day of 4th grade. The first couple of weeks of 4th grade, we will be doing activities based on ***The Lemonade War***. This is a required reading assignment.

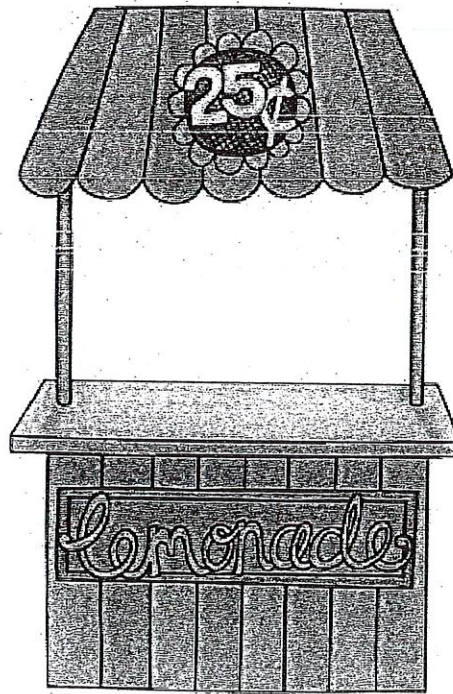

Thank you,
Fourth Grade Teachers
