

Who Was/Is- 5th Summer Reading Project

Hello Incoming 5th Graders,

For the fifth grade summer reading project, you will need to read a “Who Was/Is” book; the book must be about a person. Before reading you will come up with four questions about the person you are reading about. Then as you read, you will work on filling out the project template with information about your person in complete sentences. Finally, once we start school we will make a biography flip book together in class.

Thanks,
Mrs. Arlinghaus
Mrs. Middendorf
Mrs. Winter
