FROM THE PRINCIPAL

We persevered through a wet and soggy field day on Monday. Since Tuesday's weather forecast did not look any better, we made a game-time decision to make things work with our original plan. It's days like this that show us what a great group of students we have! They had fun, and we saw lots of smiles. Thanks to the faculty and parents who helped out to make the day a success! And thank you to PTO for providing pizza and drinks for 376 students - that's a lot of pizza!
